The 57th Fighter Group Restaurant opened in 1981 and is now celebrating its 30th anniversary throughout January. The restaurant is hosting a fun-filled anniversary party on Sunday, January 16 which will include classic big band live entertainment, as well as \$5 cocktails and "blast from the past" offerings. 57th is also asking party guests to help build its 30th anniversary scrapbook. Guests who bring a picture of themselves from a previous visit will receive a free dessert and will be able to place their photo in the scrapbook along with a special written memory.
